CAL·MIL

*Large capacity for fewer refills.
Attractive design encourages
consumption to reduce waste.*

Square Acrylic Beverage Dispensers

Showcase your cold drinks with these elegant and stylish beverage dispensers.

- Includes infusion chamber and drip tray
- BPA-free, 3 gallon container

Ashwood

- Features a durable metal base, and a gray-stained oak piece that holds the beverage chamber

Square Clear Acrylic

- Crystal-clear acrylic with helpful side handles for easy transitions when the dispenser is full

Monterey

- The white base with a pine wood accent creates a clean and crisp look

3804-3INF-83	Ashwood, 8" w x 8" d x 26" h
1112-3AINFH	Square Clear Acrylic, 7¼" w x 9¼" d x 26½" h
22117-3INF-15	Monterey, 8½" w x 10" d x 25½" h

*Reduce food waste. Save time
and money on prep tasks.*

Semi-Automatic Bun Divider/Rounder

Cuts raw dough into small portions and, using an oscillating plate, rolls each to create balls of uniform weight and shape in a matter of seconds.

- Simple controls: dual start buttons for safety
- Programmable control board
- Produces 36 equal weight and shaped pieces at once in under 7 seconds
- Can produce (4300) 1.2 oz to 3.8 oz pieces an hour

SBDR36 26.4" w x 79.9" h (extended)

Reduce food waste. Save time and money on prep tasks.

Meat Tenderizer/Strip Cutter

Designed to enhance the texture and tenderness of meat and/or strip-cut to perfection. Perfect for making fajitas. ETL Sanitation, cETLus.

- Stainless steel construction
- 9 $\frac{3}{4}$ " x 1 $\frac{1}{4}$ " feed opening
- 115V, $\frac{1}{2}$ hp

MT975 13 $\frac{1}{2}$ "w x 18"d x 19 $\frac{1}{2}$ "h

Reduce food waste. Save time and money on prep tasks.

Food Processor

Save time and money with this versatile prep machine, capable of preparing from 290 to 485 lb of fresh vegetables, fruit and more per hour. A powerful $\frac{3}{4}$ hp fan-cooled motor produces a disc speed of 300 RPM, ensuring high output and durability. ETL Sanitation, cETLus.

- Stainless steel and polished diecast aluminum construction
- Over 20 blades available to choose from

UFP13

Reduce food waste. Save time and money on prep tasks.

Manual Food Processors

Sharp blades help to prevent bruising and ensure quality all in a single stroke. These manual food processors are easy to use and perfect for high-volume food prep. NSF.

- Corrosion-resistant blades never need to be adjusted and provide years of service
- 2 year warranty

More Items Available

Reduce food waste. Easy to clean and maintain. Only needs one person to load and operate.

Compact Mart Cart

Ideal for high traffic areas. A variety of on-board food and beverage variety choices help reduce food waste. Height-adjustable slanted overshelf keeps condiments and other supplies at ready access.

- Easy to clean stainless steel top and interior
- Ergonomic vertical push handles
- Textured and solid color laminate exterior finishes available
- Height-adjustable pull-out shelf

660 49" w x 28¼" d x 72" h

Reduce food waste. Easy to clean and maintain.

Breakfast Cart

Keep beverages or yogurt cool with insulated stainless steel ice bins, or present cereal and breakfast bars at room temperature.

- Stainless steel construction with adjustable overshelf rack
- Ergonomic vertical push handles
- Stainless steel insulated ice bin with drain
- Choice of laminate exterior finishes available

668 28" d x 54¾" w x 67" h

Multi-functional equipment allows one person to do more in less space.

EQUIPEX

Double Induction Cookers TTTT

These smart, efficient cookers are multifunctional and have a narrow footprint, preserving counter space. The easy to clean capacitive touch controls offer a controlled high temperature feature for stir fry and sauté as well as a precision low temperature control for sauces and chocolates. cETLus, ETL Sanitation.

- Stainless steel casing
- Superior airflow and cooling fans for all day use
- 20 power levels plus a 99 minute timer
- Limited 2-year parts and labor warranty

Multi-functional equipment allows one person to do more in less space.

Panini Presses TTTT

Features an extremely fast heat-up time, thermostatic controls and patented heating system for consistent results. Cook panini-style or heat only the bottom plate as a griddle. cULus, UL Sanitation.

- Enameled cast iron plates are easy to clean
- Thermostatically controlled to 570°F
- Self-balancing, adjustable top
- Grooved or mixed plates
- Programmable electronic timer (3-settings)

PANINI PREMIUM/1	Single, 16"w, 120V
PANINI PREMIUM	Single, 16"w, 208/240V
DIABLO PREMIUM	Double, 32"w, 208/240V

Pre-sort to save labor. Reduce breakage to save on replacement costs.

Soiled Dish Breakdown Cart

Pre-sort soiled dinnerware close to the point of service. Welded stainless steel construction. One angled shelf and three flat shelves to accommodate trays, pans, dishes (flat) and glass/cup racks (slanted). NSF.

- Flat shelves feature marine front edge to prevent drippage and edges turned up 4" on back and sides
- Angled shelf pitched at 20°, and has a drain hole with drain hose to divert drippage from glass/cup racks
- Includes convenient plate scraper and waste bin

B591 51⁷/₈"w x 30⁷/₈"d x 69¹/₄"h

L LAKESIDE

Reduce food waste. Can be properly and completely sanitized. Color-coded and HACCP-ready.

Millennia Colors™ Cutlery

One-piece high-carbon Japanese steel blades. Ergonomic handle: a combination of raised, textured Santoprene® for vastly improved grip and greater comfort, and polypropylene for durability. NSF.

- Perfect complement to a color-coded cutting board system
- Textured finger points and protective finger guard for safety
- Blue (BL), Green (GR), Red (RD), Yellow (YL), Brown (BR) or Purple (PU) handles
